Ok, there are a million and one “holiday art markets” this week. Those are not really our cup of tea, but this one is. This group show promises everything from Nutcracker orgies to a Riot Grrrl window display, all with the aim of subverting seasonal consumerism. (Never has a sentence written about a Christmas art show sounded so much like a “Stefan” bit from *SNL*).

Featuring: Caroline Achaintre, Polly Apfelbaum, Hannah Barrett, Brian Belott, Anna Betbeze, Beth Campbell, Borden Capalino, Nathan Carter, Caroline Wells Chandler, Nicole Cherubini, Christopher Chiappa, Jennifer Coates, Tony Cox, Brock Enright, Jacob Goudreault, Jesse Harrod, Baker Overstreet, Paul Rizzo, Nancy Shaver, Laurel Sparks, Marc Swanson, Brandi Twilley
