Opening: “XXXmASS” at Kate Werble Gallery

The holidays are often thought of as a wholesome time of the year, one where you spend time with your family and exchange gifts, but “XXXmASS” proposes that Christmas is also an occasion to show R-rated art. A press release promises “extraterrestrial moon pies, nutcracker orgies, satanic reindeer, pagan circus trees, intersexed elves, beastly textiles, glistening vessels, metal mistletoe and a riot grrrl window diorama.” Among the 20 artists who will have work in this show are Polly Apfelbaum, Marc Swanson, and Brandi Twiley.
